

Post bases 10529.1190

Technical data

Upper part dimensions	Ø 96 x 8 mm
Upper part holes	4 St. Ø 10,5 mm
Lower part dimensions	160 x 100 x 8 mm
Lower part holes	4 St. Ø 13 mm
Lower part thread	M24 x 150 mm
Adjustment range	201 - 261 mm

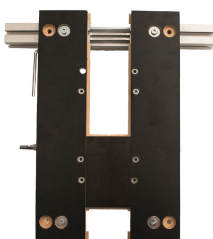

Post bases, Plug-in system Z Turn - Click, the new innovative post base system. With few handlings, without time-consuming and inconvenient screwing the new plug-in system allows an efficient solution of assembly. Maximal load capacities in compression, traction and horizontal stresses are guaranteed through the optimal material thickness of the post base. A height adjustment is possible even when mounted and under heavy load.
